GENERAL INFORMATION

PARKING INFORMATION

JW Marriott Marquis Miami offers discounted rates to the symposium's attendees as follows:

Valet: Bring parking ticket to the valet

- Overnight Valet - \$56.60 inclusive of taxes per car per night.
- Daily Visitor Valet Parking
 - 2-4 hours \$39.38 per vehicle per day (inclusive of taxes)
 - 4-8 hours \$47.99 per vehicle per day (inclusive of taxes)
 - 8+ hours \$57.83 per vehicle per day (inclusive of taxes)

Self-Parking: Met 3 parking garage is located next to Whole Foods Market on SE 3rd Avenue.

****Please read the information and instructions below carefully***

- \$15.00 (+ tax) with **validation up to 12 hours.**
- Attendees must scan the QR code that is in the parking garage and add the code ***SELFJWMM*** for the discounted rate to apply.

BADGES

Issued badges must be worn at all times during the course of the symposium. You may return the badge at the end of the symposium for recycling.

ATTIRE

Attire for the symposium is business casual. Please bring a sweater or jacket as meeting room temperatures and personal comfort levels vary.

PRESENTATION SLIDES

The slides shown during the symposium will be available after the symposium on our MHS CloudCME websites. Attendees will receive an email with instructions to access the slides.

CONTACT INFORMATION

Should you have any questions or require assistance during or after the symposium, please contact the Office of Continuing Medical Education by emailing cmdept@mhs.net.

PROGRAM OVERVIEW

ACCREDITATION

Memorial Healthcare System is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

PURPOSE STATEMENT

Memorial Cancer Institute's **Best of ASCO®** is a program licensed by the American Society of Clinical Oncology (ASCO) and designed to present the most recent abstracts and guidelines presented at the 2025 American Society of Clinical Oncology Annual Meeting.

The goal of this educational session is to incorporate recent advances in the treatment of cancer into clinical practice. National and International faculty will review state of the art developments in hematology, oncology, surgical oncology, and radiation oncology. Participants will have the opportunity for audience interaction with the faculty.

Memorial Cancer Institute (MCI) is a leading Cancer Institute in Florida and is part of the Memorial Healthcare System, the third largest public health care system in America. This important event is partnering with the Moffitt Cancer Center Hematology Malignancies and BMT Unit at Memorial Healthcare System; the Florida Society of Clinical Oncology (FLASCO); and the Charles E. Schmidt College of Medicine at Florida Atlantic University (FAU).

TARGET AUDIENCE

Medical, Surgical, and Radiation Oncologists, Radiologists, Internal Medicine Physicians, Nurse Practitioners, Oncology Nurses, Physician Assistants, Pharmacists, Physical Therapists, Speech and Occupational Therapists, and other healthcare professionals.

EDUCATIONAL OBJECTIVES

At the completion of this symposium the participants should be able to:

- Expose hematologist/oncologists to data from relevant ongoing clinical research presented at ASCO that year. Emphasizing the latest developments in oncology.
- Close the knowledge gaps of other Allied Health Specialists (PharmDs, ARNPs and nurses) who need to know how to administer novel, approved therapies. These APPs need to know the clinical applications, changes in the labeling of therapies and new toxicities reported in targeted agents.
- Teach clinicians to incorporate new data, like biomarker information, and new standards of care into their clinical practice.
- Close the gap in knowledge between healthcare professionals and patients related to overall survival, progression-free survival, recurrence rates, and toxicity for novel therapies which have either been recently approved or are on their way to clinical approval.
- Improve clinicians' information on specific drug therapies (topics in solid tumors specially related to targeted therapy current and in development, Immunotherapy, drug administration and treatment plans), their toxicities, side effects and corresponding supportive care of the oncology patient.
- Develop guidelines for best practices of Standard of Care treatment. These guidelines may be disease orientated which will address specific clinical situations, or they may be modality-oriented and address medical devices, procedures and tests.

Download the mobile app (instructions on page 6) to claim credits, complete required evaluation and download the certificate.

PHYSICIANS

Memorial Healthcare System designates this live activity for 6.5 CMEs Friday and 5.5 CMEs Saturday (**maximum 12 AMA PRA Category 1 Credits™**). Physicians should claim only the credit commensurate with the extent of their participation in the activity. Please contact Memorial Healthcare System's CME Department at cmdept@mhs.net for questions.

NURSES

Memorial Healthcare System is an approved provider of Nursing Continuing Education. Contact hours will be awarded based on attendance each day; 6.5 CEUs Friday CE Broker# 20-1309988 and 5.5 CEUs Saturday CE Broker# 20-1309991 (**maximum 12 hours**). Please contact Memorial Healthcare System's Nursing Education Department, Anna Dore, at adore@mhs.net for questions.

PHARMACISTS AND TECHNICIANS GENERAL

The Best of ASCO® program has been approved for Pharmacist and Pharmacy Technician General CE by the Florida Board of Pharmacy coordinated through the Memorial Cancer Institute Pharmacy Department. Contact hours will be awarded based on attendance each day. 6.5 CEUs Friday and 5.5 CEUs Saturday (**maximum of 12 hours**). Please contact Memorial Cancer Institute's Pharmacy Department, Frank Gentile fgentile@mhs.net for questions.

PHYSICIAN ASSISTANTS

AAPA accepts AMA Category 1 Credits™ from organizations accredited by the ACCME. Please use certificate obtained through the Mobile App to self-report.

NURSE PRACTITIONERS

AANP accepts AMA Category 1 Credits™ from organizations accredited by the ACCME. Please use certificate obtained through the Mobile App to self-report.

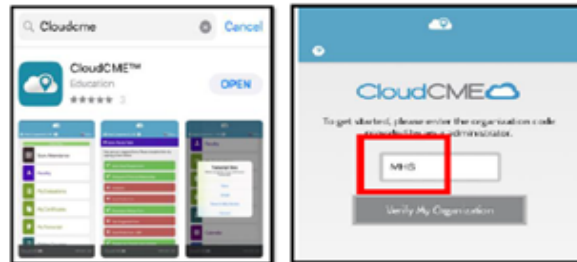

PHYSICAL THERAPISTS

FPTA accepts AMA Category 1 Credits™ from organizations accredited by the ACCME. Please use certificate obtained through the Mobile App to self-report.

Attendance Via Mobile App

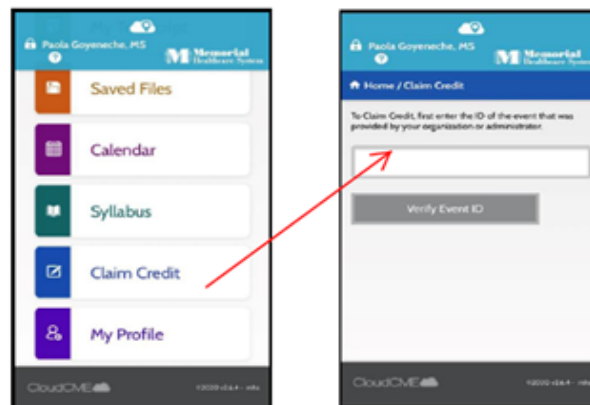

1. Memorial Healthcare Systems' CME application, CloudCME® Mobile App, is available for [Apple](#) or [Android](#). Search for "CloudCME" in your app store and start downloading the app.
2. Once download is complete, follow the screen instructions to start configuration. Type "MHS" when asked for the organization code.
3. **CloudCME account is required.** Memorial Healthcare System staff already have an account in the system. Non- Memorial Healthcare System staff must create a new account once you download the app.

4. Memorial Healthcare System staff must log-in using MHS' email address and Password (same password used for Epic and desktop log-in). Non- Memorial Healthcare System staff must log-in with the email address and password used to create the CloudCME account/profile.
5. After logging in, verify all information in your profile is complete and accurate.
*** VERY IMPORTANT:** verify your license number/information is entered for credits reporting.

6. Go back to mobile app's main menu, scroll down and click on the tab "Claim Credit".
7. Type the activity's *Event ID*, and click the grey button "Verify Event ID". Follow the instructions to attest attendance and click submit.

Download the mobile app (instructions on page 6) to claim credits, complete required evaluation and download the certificate.
